

Letter of Acknowledgement

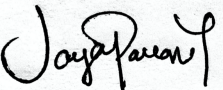

To whomever, it may concern,

We proudly acknowledge that **Mr P HEMA CHANDRA** was part of Nirmaan Organisation, BITS Pilani Hyderabad Chapter Executive committee 2020-21 as an Educational Initiatives Lead.

He was a dedicated volunteer actively involved in multiple events and initiatives by us from 2018 to 2021. He was part of the event planning and management team for two editions of Ignite, a three-day social fest in 2019 and 2020, and contributed many hours volunteering for Project Parishkar, an on-campus educational initiative to assist underprivileged school students. And as a member of the executive committee, he headed the Educational Initiatives panel and successfully organised Project Parishkar in online mode and provided educational assistance to around 30 school students during COVID times, overcoming many adversities. His association with Nirmaan BPHC, his efforts and his commitment to serve the community are exceptional.

We thank him for his contributions to our organisation and wish him success in all his future endeavours.

Sincerely,

Jaya Pavan Yalamati
President
